- Fees may reduce earnings.
- Interest accrued will be paid, without penalty, at account closing.

ADDITIONAL INFORMATION

The words “you” and “your” refer to all persons named on the authorizing resolutions, on the account agreement/signature card for an account, on any checks or cards for an account, or who sign or use any checks or cards on an account. The words “we” and “us” refer to First National Bank of Omaha and our divisions that operate under the names First National Bank, First National Bank North Platte and FNBO Direct.

1 There is a ledger balance and a collected balance on accounts. Many times those balances are the same. However, there are occasions when the collected balance will be negative. A negative collected balance usually occurs one of two ways: (1) either the account is actually overdrawn; or (2) there have been check deposits where there is a float assigned based on the type of checks deposited and those funds are used before the checks are collected. When the collected balance is negative, we charge a fee of 2% over Wall Street prime for each day the collected balance is negative.

2 An ATM is considered a Non-First National Bank of Omaha ATM if it is not branded with the  ATM logo. Contact a Personal Banker for a complete listing of the  ATM logo ATMs. If we own the Non-First National Bank of Omaha ATM: (1) we will not charge you a Non-First National Bank of Omaha ATM Fee for using it (2) if a surcharge applies, it will be disclosed at the ATM (currently such “owned Non-First National Bank of Omaha ATM surcharges” do not exceed \$10.00). In some cases, you may be entitled to a waiver or reimbursement of these fees under the terms of your deposit account. “Free withdrawals from Non-First National Bank of Omaha ATMs,” mean that Non-First National Bank of Omaha ATM cash withdrawal fees do not apply (“owned Non-First National Bank of Omaha ATM surcharges” still apply, but may be reimbursed to the extent that your account terms cover Non-First National Bank of Omaha ATM surcharge reimbursements). If you use an ATM that is not operated by us, you may be charged a fee by the operator of the machine and/or by any network used (and you may be charged a fee for a balance inquiry even if you do not complete a transaction).

3 An Overdraft Item Fee or Returned Item Fee may be created by checks, in person withdrawals, ATM withdrawals, or other electronic means, as applicable.

4 Third parties or other banks may impose additional charges in addition to those set forth herein.
